FILIPINO STUDENT BEWAILS IGNORANCE OF AMERICANS.

Educated Islander, After a Month at the Fair, Says That Wrong Impressions of the Nation Exist.

HAS FIRST VIEW OF IGORROTES

COLUMBIA, Mo., Sept. 10.—A Filipino student here, who has been in the city since the opening of the University of Missouri, when he will enter the medical department.

They are members of a party of more than 50 young Filipinos distributed among the leading universities of the United States. Their expenses will be paid by the Insular Government, which will permit them to remain in the university three years. Having already studied medicine a year at the Universidad de San Tomas, in Manila, they will probably be able to enter the department here with advanced standing.

Last week they attended high schools in California, where they became acquainted and learned to speak the English language almost as fluently as the Spanish. Previous to this they completed college courses in the Philippine Islands.

The foreigners have attracted considerable attention in the city, but their status among the student body has not been decided. Favorable comment has been made by the faculty and the students, but the latter have not yet decided to call them to the bar.

They will probably find no difficulty in adjusting themselves to conditions here. They converse fluently in many languages, and are all members of prominent families in the islands of Luzon. Pacific Islands, and other parts of the Philippine archipelago. They are all of the same race, and the fathers of the other five are famous in the Philippines.

HERO OF NANSHAN HILL WILL VISIT ST. LOUIS FAIR.

Recalled From Front to Represent the Emperor.

TOKYO, Sept. 10.—Lieutenant General Prince Fushimi will sail for America on the steamship Manchuria, in October. Prince Fushimi will visit the St. Louis Fair and Washington as the special representative of the Emperor of Japan. Lieutenant General Prince Fushimi commanded the first division at the battle of Nanshan Hill. He has returned to Tokyo to make the trip to America at the request of the Emperor. He will remain in America one month, and he will be accompanied by a numerous suite.

It is probable that Lieutenant General Prince Fushimi, Commander in Chief of the Imperial Guard division, will be promoted to a generalship and appointed Military Governor of that portion of Manchuria occupied by the Japanese.

General Sir William Nicholson, one of the British military attaches, who is in St. Louis, has left Field Marshal Curzon's headquarters and returned to Japan to recuperate.
